THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) While there have been no accidents involving any unacceptable radiological consequences to the operating personnel, public or environment, there have been certain incidents common to industrial plants. These are regularly reviewed by a multi-tier system, of review by Atomic Energy Regulatory Board (AERB) and corrective actions taken periodica ly.

(b) No, Sir.

(c) No, Sir. Waste. disposal is handled with utmost care meeting the safety re-quirements stipulated by AERB.

(d) International Atomic Energy Agency (IAEA) guidelines on the off-site emergency preparedness have been considered. Periodic off-site emergency exercises are carried out at each operating nuclear power station site *to* confirm the efficacy of the off-site emergency plans. Stats and National emergency response committee; review these plants. These plants are site specific and are relevant to the conditions in our country.

Establishment of heavy water project

1878. SHRI ANANT RAM JAISWAL:
SHRI SATYA PRAKASH MALAVIYA;

Will the PRIME MINISTER be plca-sr.j to state:

(a) whether Government have received any offer either from India or foreign companies to establish heavy water project for manufacturing heavy water and liquid hydrogen, used for Space research and nuclear power installations;

(b) if so, what are the details thereof stating the names of such companies;

(c) whether Government have identified any areas to establish such a highly capital intensive project;

(d) if so, the names of such areas, state wise;

(e) whether Government funding to such companies would be necessary for these highly capital intensive projects; and

(f) if so, the details thereof and by when the work would be started/com pleted?

THE MINISTER OF STATE. IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) to (d) Government has not received any ofter either from Indian or foreign companies to set up a project for manufac. taring heavy water. However, in res-Ponse to a tender floated in 1990 for setting *up a Liquid* Hydrogen Plant, the Derartement of Space had received three' offers from foreign companies. Based on technical and commercial evaluation, M/s. Linde Germany was selected. The plant is being set up at the Mabendra-giri complex of the Liquid Propulsion Systems Centre of Indian Spact Research Organisation (ISRO) in South Tamil Nadu.

(e) The liqid hydrogen plant is being set up with the funds allocated to the Department of Space/ISRO.

(f) The erection of the plant is in Progress. It is Scheduled to be commissioned by the end of 1993.

Dumping of Fertilizers by Internationa] Cartels

@ 1879. SHRIMATI KAMLA SINHA; Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the domestic fertilizer manufacturers are Push-od to closing down their units because of the dumring of fertilizers by International Cartels and subsequent low price;

(b) if so, the details thereof; and

(c) what steps Government propose to take to protect the domestic manufacturers?

©Previously UnStarred Question 1304 transferred from 7th May, 1993.

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FAILEIRO): (a) to (c) Consequent on the decontrol of phosphatie fertilizers w.e.f. 25.8.1992 and also decanalisation of DAP imports, producers/suppliere are free to sell phosphatic fertilizers in the open market with no subsidy from the Government. Imported DAP is available at a considerably tower price compared to the cost of production of indigenous units. Faced with this situation, a number of DAP units have suspended production. Units making nitrogenous fertilizers are however functioning ror-mally.

In dealing with this situation for the phosphatic industry Government are keen to ensure supplies at affordable prices to farmers. Accordins'y, the foens is on helping the industry to bring down their cost of production and become more competitive. Goverrment has already abolished customs duty on import of phosphoric acid. Government has also announced a scheme of refund of customs duty paid on capital goods, ...as also a concession of 3 per cent in interest rate on term loans, provided that the net interest rate after adjust-ment of (his concession remains at a mintrmirn of 12 rer cent. These concessions are available to all the fertilizer plants commissioned on or after 1.1. 1991. The phosphatie industry has also filed an application for initiating antidumping procsedings in respect of imported DAP.

Steep rise in the price of 'Actrom-4 tablet

@1880. SHRI VISHWASRAO RAMRAO PATIL: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware that 'Acitrom-4 is a life saving drug End used in curing heart ailment;

(b) if so, whether Government are also aware of the fact that the prices of

©Previously UnStarred Question 298 transferred from 28th April, 1993.

'Acitrom-4' has gone up from Rs. 13/-per tablet to Rs. 60/- per tablet;

(c) whether it is a fact that Din-devan and Variferin which are the subes-titues of this medicine are also not available in the market;

(d) if so, the details thereof; and

(e) what are the reasons therefor and the action taken by the Government to check the Prices of 'Acitrom-4'?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO); (a) Yes, Sir.

(b) and (e) Acitrcm-4 is a nen-sche. duled formulation, and the manuracturer increase 1 the price from Rs. 9.15 in March '92 to Rs. 55.61 in November '92 for 10's strip. However, on Govern. ment intervention, the company has reduced the Price from Rs. 55.61 to Rs. 42.05 recently.

(c) and (d) No shortages of these from llatians have come to the notice of the Government in the recent pas;-.

Iequiry into the cffairs of M/s. Lupia Lab:. Limited

1881. SHRI ABDUL SAMAD SID. DIQUI: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the ma jar producer of rifampicin M/s. Lupin La's. Ltd., was to commence basie pro-duction lons bcak but imporh of inter mediates and penultimates were permit-ed to the company by relaxing the con dition?;

(b) whether it is a fact that recently when PMP of the company expired in March, 1993, advance imports for 1-2 years have been permitted;

(c) whether it is also a fact that the company has indult-ed in bungling of crores of rupees in imports and exports and have also got their input norms manipulated in respect of anti T.B. drugs and other drugs; and
